Harmony Day

Today is Harmony Day! It was great to see all the students dressed in orange or traditional costume. As part of this year's celebrations all students painted a lucky stone. These lucky stones will be set in a concrete path at the front of the school near our Office Administration Block and will be a reminder of the diversity of Surveyors Creek Public School's students. A big thank you to Mrs Franzke, Mrs Harris and all the Harmony Day Team for the organisation of these activities.

FITBITS and Electronic devices-Reminder

If your child wears a Fitbit, brings an electronic device or mobile phone to school. The school will take no responsibility if it gets lost, broken or stolen. Mobile phones will be stored securely in storerooms and given back at the conclusion of the day. Electronic devices should be left at home as there is no need for children to have them at school. There is an increasing trend for students to wear Fitbits instead of watches. That isn't a problem if they don't play with them and take the little computer part out of the band. Please speak to your child about the importance of not playing with them, lending them to others or taking the middle part out, especially as they are costly.

Student Goals

Thank you to all our parents/caregivers that have returned the note saying they have received their student's goal. We still have approximately 25% of the students who have not returned the note signed at this stage.

Yours in Education
Mrs Kathy Browne
Principal

PBL Awards

Many children at our school have collected a PBL ribbon. Most children are aware they are to hand in 3 certificates and they will receive a ribbon. Once a child does receive 3 ribbons they must hand in their 3 ribbons to receive a banner.

In Short - 3 certificates = a ribbon

3 ribbons = a banner
