Just a reminder to all of our community that dogs are not allowed on the school premises at any time. We are required to follow the 'Animals in School Policy' when and if animals are brought onto the school premises. That goes for all animals. If you want to bring an animal for show and tell this needs to be organised with your child's teacher prior to the animal being on the premises. If you are walking your dog to drop off or pick up students you will need to either be outside school gates or stop at the front gate where you will either say goodbye to your child in the mornings or collect them from there in the afternoons.

Playground Update

As you may have noticed that our shade sails have gone up! To all of our wonderful hard working P&C we thank you for all your support with the 'Playground' project'. I have just signed off on the asphalt paths that will become a scooter and billy cart track around the playground equipment. This will cost another \$27000. Along with all of this we have purchased stand-alone games like naughts and crosses, connect four and some tactile activities like drums and xylophones. These will be strategically placed in the area for students to interact together. Once all that is in place we will put sandstone blocks in for students to sit on if they wish too. A container will also be purchased to hold the scooters, bilycarts, sandpit equipment and other play items we may purchase. It will be a fabulous play area for our students to play in once it is completed. Stay tuned for more info.

What is the Tell Them From Me Parent Survey?

The Tell Them From Me Parent Survey is anonymous, voluntary, and easy-to-use. It is based on a comprehensive questionnaire covering parents' perceptions of their child's experiences at home and at school. It gives insights into parent and staff communication, activities and practices at home, and parents voice on the school's support of learning and behaviour which all build an accurate and timely picture that schools can use for practical improvements. Tell Them From Me Survey provides the rich data needed to achieve positive and practical change in your school.

The survey is confidential, voluntary, and you may skip any questions you are not comfortable answering.

This is the link to the survey

<https://nsw.tellthemfromme.com/fzbph>

Last year we only had 37 parents complete the survey which doesn't give a true reflection of our school. We value your opinion on what matters here at Surveyors and how we can continue to improve. To help you with this we will have a classroom set up with laptops on the night of the Disco and you will be able to complete it then, however you can click on the link above if you prefer to do it at home. We will put the link up on Facebook and on the school website for you to access the survey.

Kindergarten Enrolments 2019

Just a reminder if you have a child or know of a child that is eligible to start school in 2019 (child must be turning 5 by 31st July 2019) could you please start the enrolment process by visiting our school Administration Office and filling out the enrolment forms. At Surveyors Creek we interview all of our new Kindergarten students prior to starting.

GRAND PARENTS DAY 29th October

Just giving everyone the heads up that Grandparents day will be on the 29th October more information will come as we get closer to the day!

Don't forget our school Disco is on Wednesday the 5th September

Congratulations to our Wonderful Debaters who have made it into the Semi Finals! The debate semi-final will take place on 12th September at Werrington County Public School at 9:30am. Wishing Mrs Uhlig and her team all the best!

District Carnival

What a sensational team of teachers we have at Surveyors! Each year a school takes a turn to host and run the District Athletics Carnival. This year it has been our turn. Ms Sutherland and her amazing team of teachers from Surveyors have spent many hours organising and coordinating the events for this year. Well done and the best of luck in running a successful Athletics carnival!

Yours in Education

Kathy Browne

Principal

JDRF One Walk

Emma Hogan, a past student from Surveyors Creek, is a JDRF Ambassador and is involved in the 2018 Penrith One Walk to raise funds to find a cure for juvenile diabetes. The walk will be held on Sunday 21st October 2018 at Jamison Park, Penrith. There will be a BBQ, Face painting, Market stalls, Raffles and Tasty treats available. For more information contact via email jdrfonewalkpenrith@gmail.com or like our facebook page 'JDRF One Walk Penrith'.

PBL Awards

Many children at our school have collected a PBL ribbon. Most children are aware they are to hand in 3 certificate and they will receive a ribbon. Once a child does receive 3 ribbons they must hand in their 3 ribbons to receive banner.

In Short - 3 certificates = a ribbon

3 ribbons = a banner
