Term 2 Week 4

From The Principal's Desk

SCHOOL CROSSING!

Over the past couple of weeks I have had a number of community members call the school voicing their concerns for the welfare of our students in the afternoon at Kiss n Drop. They have highlighted some very unsafe road practices that they feel could lead to a serious incident. They have also been appalled at the way some of the members of the community speak to Carl our Crossing Supervisor. Carl is providing a service to keep our children safe. Last week he even reported to me that two cars went over the crossing side by side. I have asked the community members to report any inappropriate road behaviour to the appropriate authorities such as Penrith Council and Penrith Police.

Please remember to drive to the bottom roundabout at Garswood Road if there is no spot in the Kiss n Drop and don't block the roundabout on Sunningdale Drive as community members who do not have students need access to their homes!

ECO TURF

We will be putting some more Eco Turf near the Senior boys and girls toilets, the year 6 rooms and near the mural this weekend coming. The playground is really coming along.

League Tag

Good luck to all our teams playing League Tag this Friday. We have 8 teams representing our school!

Well Done Surveyors!

Congratulations to our Girls and Boys Soccer team, as well as our Netball Team as they have all progressed to the next round of the school knockouts.

Stage 1 Excursion

Stage 1 are off the Rouse Hill Farm next week. I am they sure they will have lots to talk about as they explore what life used to be like in the old days!

Each week at our staff Monday Muster a student representative addresses the staff on issues pertaining to our school and students. They canvas the students and SRC and talk about subjects that have an impact on their Wellbeing and academic achievements. As of next school newsletter there will be a section to inform parents of what they have discussed and the results of those discussions. Our two captains will be

the editors of this section and you will find it here on my page. I must commend our Senior Leadership Team for all their hard work so far this year.

PBL Awards

Many children at our school have collected a PBL ribbon. Most children are aware they are to hand in 3 certificates and they will receive a ribbon. Once a child does receive 3 ribbons they must hand in their 3 ribbons to receive a banner.

In Short - 3 certificates = a ribbon 3 ribbons = a banner
