WEEK 8 Term 2

Playground and ECO TURF

ECO Turf went into our bottom playground the weekend before last and it looks amazing! We have brought more resources for the students to engage with including playhouses, building equipment, outdoor table tennis tables, climbing cars, fire trucks and police cars. The students are enjoying the variety of options we are providing them at recess and lunch. I also met with Sunshade this week about the new shade areas. The basketball court, handball courts and our new space outside our library will be covered, hopefully by the middle of next term.

Kindergarten Enrolments for 2020

It's that time of the year again for Kindergarten

Enrolments. If you have a child that turns 5 before the 31st July 2020 they can be enrolled in a NSW Public School. Please call in to our office and speak to our friendly staff who will give you the appropriate forms to fill out and return at your earliest convenience. We will be running a one on one interview with all our new kindergarten students and their families commencing Week 8 Term 3.

For quite a while now, our school has been trying to resolve the issues with soccer, we've attempted many

solutions and have finally found the right one. We have recently introduced referees to these games and it's solved all our problems. How this works is, after eating time the students will walk to the soccer fields down on the oval and wait for the arrival of the ref's. From here, the refs will divide them into evenly skill based teams and will receive coloured bibs so people are aware of who is on what team. We as the leadership team have found these games are running much more smoothly, and have seen a large improvement.

K-2 Athletics Carnival

Well done to all the K-2 teachers who organised the

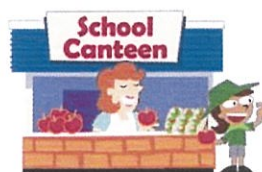

fabulous K-2 Athletics Carnival. It was a fantastic day on Friday and it was great to see all the teachers in their Tutus, the students in their house colours and the parents cheering them on.

Congratulations!

I was very privileged to have attended the matinee performance, along with Mrs McCann-Smith of the Synergy Dance Festival at Panthers last Tuesday. Once again Mrs Wilson, Mrs Franzke and Miss Elise Wilson choreographed an amazing dance performance with the help and dedication of our super talented students.

Canteen News!

As you may or not be aware we are currently transitioning to the NSW Healthy Canteen Strategy. As part of this we have had to change the types of Slushies we have on offer for the children. As of today we are now serving 99% fruit Slushies which will cost \$2. This product now meets the requirements.

BLUE MOUNTAINS NEPEAN

Congratulations to our K-2 and 3-6 dance groups who auditioned for the Blue Mountains Nepean Dance festival and were successful in gaining entry to this year's performances. Stay tuned for more information.
