## **WEEK 6 Term 3**

### **\*\*\*\*Reminder\*\*\*\***

### **New Enrolment Policy**

In the coming newsletters I will be disseminating information to the community about the new Enrolment Policy and what it means to parents. We are very proud that we are one of only a few schools in the area who have a 'Waiting List' for students and families that are out of area. There are new guidelines for me to follow when considering an out of area placement. In the past we have had enquiries about our drawing area from community members wanting to purchase in our zone and we have even had inquiries from out of state and overseas. This is a testament to our great teaching and learning and our state of the art playground facilities.

For most of our families this won't be an issue but for those outside of our area they will now have to fit into New Enrolment Policy Guidelines.

### **GIRLS STATE SOCCER KNOCKOUT!**

Well done to our Girls' State Knockout Soccer Team! It was a huge achievement to get to the 7<sup>th</sup> round, but unfortunately they were beaten by a more experienced side. Mr Shipley was very proud of them and I thank the wonderful parents who came to support them and drive them to and from venues. I am sure they will be back again next year!!

### **Thank you P&C and volunteers!**

A big thank you goes to our P&C and all the volunteers who came to help with the fun run last Friday!

Myself, and the P&C appreciate all the support and understanding we had from parents on the day.

I would like to take this opportunity to thank Mel Ryan for her outstanding fundraising organisational skills.

The students and staff had a fabulous afternoon and it was wonderful to see all our parents cheering them on! What an amazing community effort to raise such an enormous amount of money.

The money goes straight to our P&C who then works with the school to give back to your children. It's a great team effort and as a school we appreciate all the support you provide us.

BLUE MOUNTAINS NEPEAN  
~~DANCE FESTIVAL~~ Good luck to our K-2 and 3-6 Dancers at the BMND on 3<sup>rd</sup> September –Evening Performance & Wednesday 4<sup>th</sup> September- Matinee Performance. The students are extremely fortunate to have teachers willing to give up their time to allow them to participate. I am looking forward to attending the Matinee Performance and watching our talented students.

**Yours in Education**

### **PBL Awards**

Many children at our school have collected a PBL ribbon. Most children are aware they are to hand in 3 certificates and they will receive a ribbon. Once a child does receive 3 ribbons they must hand in their 3 ribbons to receive a banner.

In Short -        3 Certificates    =   a Ribbon  
                      3 Ribbons         =   a Banner  
                      3 Banners         =   a Medallion

### **Parliament and Civics Education Rebate program**

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion and this was factored into the levy charged to families.'
