Clothing Pool will be every second Thursday afternoon at 2.45pm (that's even weeks) and every Tuesday morning from 8.40am (odd weeks) of school terms.

ASSEMBLIES FOR 2019: Weeks 5 & 10 each term

WEEK 4 Term 3

Congratulations!

Oh my goodness! I am sure I say this for all our community. I was blown away by the calibre of Art displayed by the students of Surveyors Creek Public School at our inaugural "Art by the Creek".

This was a huge team effort supported by the wonderful talents of Belinda Boyd, the organisational skills of Ms Quinlan and Mrs Morgan, delivery of curriculum by the staff and the talented artistic students.

We have a massive feedback wall in our staffroom, below are just a few! Thank you to all of our parents for such a positive response!

Amazing display of art & wonderful opportunity for our students & school. Can't wait to hang it up!

AMAZING! Blown away by all the talent at SCPS!

Well done everyone a picture says a 1000 words. Everybody showed how they felt. Your art was amazing!

Awesome Work Everyone loved it all!

What an amazing showcase! We look forward to being part of 'Art by the Creek' annually!

A fantastic night. Well organised & fantastic talented children. Thank you to the teachers as well in aiding children being successful. Thank you!!!

I am blown away by the amazing artworks and I can't thank the school enough for all of their hard work and effort. I know how many hours would have gone into this you have made a beautiful memory for us!

New Enrolment Policy

In the coming newsletters I will disseminating information to the community about the new Enrolment Policy and what it means to parents. We are

very proud that we are one of only a few schools in the area who have a 'Waiting List' for students and families that are out of area. There are new guidelines for me to follow when considering an out of area placement. In the past we have had enquiries about our drawing area from community members wanting to purchase in our zone and we have even had inquiries from out of state and overseas. This is a testament to our great teaching and learning and our state of the art playground facilities.

For most of our families this won't be an issue but for those outside our area they will now have to fit into New Enrolment Policy Guidelines.

Well done to our Girls' State Knockout Soccer Team! The girls have made it to the next round. We will be playing Cronulla next week and if we win that we could be off to Dubbo or Bathurst. A fantastic effort girls as this is our first foray into the State Knockout competition! Go girls and a big thank you to Mr Shipley for his marvellous coaching abilities.

Thank You P&C and volunteers!

A big thank you goes to our P&C and all the volunteers who came to help with the fun run last Friday!

Myself, and the P&C appreciate all the support and understanding we had from parents on the day as we negotiated the high winds and whether to continue with the event.

Considering the number of families at our school we only had a couple of concerns, many parents however called to see if it was on! At no time would we have put students at risk. We had consulted with WH&S to get advice and the Bureau of Meteorology to see if the winds would abate. We then modified the course between the buildings, out of the wind, put up bunting and sat back to see what the weather would deliver.

When the 'Colour Run' people turned up at 12:30 we walked the course again. It was then decided collectively, that we would err on the side of caution and postpone until 23rd August. A note is going home today from the P&C regarding the organisation of the afternoon. Thank you for your understanding. Fingers crossed we have no wind, rain or snow!!!

Yours in Education

Mrs Kathy Browne
