K-2 BLUE MOUNTAINS DANCE GROUP

COSTUMES

The dance group committee are underway, sourcing costuming for our upcoming performance. As part of the costume requirements some clothing items can be sourced from home. These items should be clearly labelled with students name and placed in a plastic bag and given to one of the dance teaches.

If these items are unavailable at home they can be bought from Kmart at a low price, all under \$10.00 per item. The original fee of \$50.00 will pay for transport fees, and larger more elaborate costume items, which the dance teachers have sourced. All costumes will be kept at school in a labelled bag until the completion of the Surveyors Spectacular performance. If you have any further questions, please feel free to contact one of the dance teachers.
