

What's Happening @ Surveyors Creek!

Education Week 2019

This year we will be doing things a little differently at Surveyors Creek for 'Education Week'.

Monday 5th Choir

Our choir will be performing at the Penrith Valley Performing Arts festival held at the Joan Sutherland Centre @ 7pm.

Tuesday 6th Girls Soccer

Our Girls State Knockout Team will play against Mawarra Public School at the fields at Mulgoa Rise, 10am kick off. Please feel free to come and cheer them along!

Wednesday 7th Art by the Creek!

Our inaugural art extravaganza will be held in the hall starting at 6pm. Every student has participated and is proud to have a piece of art exhibited. Our art show has been a whole school undertaking with teachers participating in workshops and Mrs Belinda Boyd guiding them through the art process. The students are extremely excited to show you their work. We would like to see as many parents and community attend this as possible.

I am very proud to say that Mrs Cathy Brennan Executive Director, School Performance Metropolitan North Operational Directorate will be in attendance as well as Mrs Kay Rigas Director School Leadership Metropolitan North-Penrith Network.

Please feel free to bring grandparents, relatives and neighbours to witness the fantastic talented students we have at Surveyors Creek Public School.

We will also have the choir performing on the night and students entertaining us with their talents on the piano and singing.

Friday 9th Colour Run

Our school's P&C Biannual fundraiser will take place on the school oval. The Colour Run will commence at 1pm and parents are able to come and watch. Please look out for the note outlining the festivities for the day. It should be a colourful event!!!!!!

Please note that 'Open Classrooms' will be held on 29th October along with Grandparents Day, Book Week and Year 6 Expo! Make sure you put that date in your calendar!

Mrs Kathy Browne

Principal
