

23 October 2019

Student Leadership Day – Thursday, 31st October 2019

Dear Year Five parents and students,

Each year, Surveyors Creek Public School run a leadership program to provide an opportunity for all students and nurture their potential. Students are elected to represent the school and their peers as Captains and Prefects.

The Student Leadership Day is phase one of the leadership program. This year we have decided to add an extra process to becoming a leader at Surveyors Creek Public School. During Term 4, students who wish to be considered for a leadership role in 2020 will complete an expression of interest, as well as participate in a community service project. Specific criteria and more information on the selection process will be discussed and distributed during the leadership day.

All students will benefit by developing these skills and qualities. We are holding the Leadership Training Day for **all of Year Five at no cost, on Thursday, 31st October 2019**. On this day we aim to:

- highlight many of the social, organisational and communication skills required for leadership
- help students to develop confidence to take on a leadership position at Surveyors Creek Public School in 2020.

As this is a special day we ask muffin / sport style clothes are worn, as students will be participating in team building games.

On the day students will be exploring leadership through:

1. ice-breaker games
2. leadership team challenges
3. team building challenges and games
4. discussions and self-evaluations
5. listening to an outline of the SCPS Leadership Program

Sausage Sizzle

Students will be provided with a sausage sizzle for lunch so please let Ms Clements know of any allergies or special dietary requirements.

Preparation Challenge

'You have within you the strength, the patience, and the passion to reach for the stars to change the world.'

- Who said this quote and what does it mean? Write a paragraph and bring it to the Leadership Day.
- Find a quote about leadership that inspires you. Write down a quote and bring it with you.

We know this introduction to leadership will be a valuable day for all students who participate with enthusiasm.

Thank you,

Ms Emily Clements
