Positive Behaviour for Learning at Surveyors Creek Public School

Positive Behaviour for Learning (PBL) is an evidenced-based, whole school process which aims to improve student outcomes. It aims to deliver a consistent and positive approach to student behaviour across the school community. This process focuses on positive behaviours and explicitly teaching students what is expected of them.

At Surveyors Creek Public School we believe in providing a safe learning environment, where students are respectful of others, engaged in their learning and striving to achieve their personal best. The school's three expectations '*Safe, Respectful, Learner*' are a central framework for teaching expected behaviours in universal areas.

Reward System

Fast and Frequent

This reward system aims to emphasise and encourage positive behaviours and actions through the use of 'fast and frequent' awards. Students can receive a 'Caught you being Awesome' (fast and frequent) reward in and around the school when displaying desired behaviours. These rewards are to be kept and added to a class collection. Class rewards will be discussed with the classroom teacher to ensure suitability.

SAFE Caught You Being Awesome	RESPECTFUL Caught You Being Awesome	LEARNER Caught You Being Awesome
--------------------------------------------	--------------------------------------------------	-----------------------------------------------

Students at Surveyors Creek Public School are encouraged to design a new logo for our Fast and Frequent tokens - 'Caught you being Awesome'. The design needs to reflect our school's values of being safe, being respectful and being a learner. An example is provided below:

 Caught you being SAFE	 Caught you being RESPECTFUL	 Caught you being a LEARNER
-------------------------------------	-------------------------------------------	---------------------------------------------

The new logo designs for **Safe, Respectful, Learner** are due back at school on Friday 31st July 2020.
