

Literacy Pro (Years 5 and 6) and World Book Online at Surveyors Creek P.S.

***** Important Information - Please keep this note handy for student reference****

Literacy Pro

During the first weeks of Term One students (Years 5 – 6) will receive their Literacy Pro log in details. Students will start using the Test schedule and online Quizzes which supports the class reading program.

At school students complete the online Lexile test which determines their Lexile Reading Level. They are then matched to a book of the same or similar level that they would competently be able to read and comprehend. Students are guided towards texts that will challenge but not frustrate them. The Lexile test is repeated each term which enables both teachers and students to track the student's reading progress.

Students also have access to the Literacy Pro website at home and are able to carry out Quizzes at home to further develop and promote their comprehension and reading skills. This year, students also have access to the Ebooks through their Literacy Pro portal.

This note will give parents and students all the relevant information they need to access and use the program at home to support their learning.

A student will have a lexile level based on the test taken. Their lexile range refers to books within a range of up to 50 above or 100 below their level.

Go to the website – www.scholasticlearningzone.com.au (Make sure it is the Australian website, if not choose Australia from the drop down menu)

The Org ID for Surveyors Creek P.S. is – **7chc**

Students will then enter their username and password to access the online Ebooks and quizzes.

In the My Zone home page click on this image (the 2 images on this page are similar so be careful). Then click on the Search Tab. Then click on the Scholastic Ebook Collections. Books in the students Lexile range will be listed. Scroll down to find an Ebook to read.

Quizzes can also be completed on Lexile books that are borrowed from the Library. Students are encouraged to borrow from this section of the Library every week.

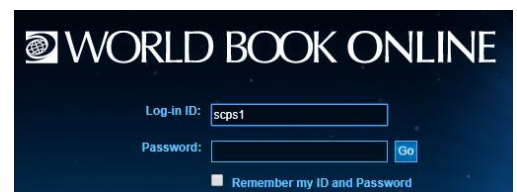

World Book Online

This year we are subscribing to World Book online. Available to all students K – 6. Please use the information below to access this most valuable and reliable information resource. Students can choose to access the information through the Kids product (younger readers) or the Student product.

Go to the website – www.worldbookonline.com
