Year 3 and Year 5 Practice NAPLAN Testing

Dear Parents/Carers,

Year 3 and Year 5 students will be participating in NAPLAN Online practice tests in the next fortnight. **These tests are planned to occur between Monday 22nd March and Thursday 1st April.**

Both Year 3 and Year 5 students will be doing an Omnibus practice test which encompasses elements of both literacy and numeracy.

Year 5 will also be doing an on-line Creative Writing practice test. (Year 3 do not do an on-line practice Creative Writing test because they will still be sitting a paper Creative Writing test).

Students are encouraged to bring their own personal head-phones to plug into the school laptop. Otherwise the school will provide head-phones. We will ensure sanitising procedures occur before and after each use of the shared laptop devices.

These practice tests are designed to test our online capability. They also give the students more experience in sitting such on-line tests. The practice tests provide us with no individual student results nor individual student data feedback.

If you wish your child to not participate please contact the school.

Kind regards
