

Why join our P&C? Amended P & C Meeting Date!

Surveyors Creek Parents & Citizens Association (P&C) is seeking new members to our amazing team. Giving a hour or two of your time each term has a big positive impact on our school and your child.

Being part of the P&C means you can be the voice of parents and can assist in making decisions in conjunction with our school, to further develop, enrich and inspire learning for all our students.

It's a great place to meet new people and create long lasting friendships. Your child will like that you are involved in their school life and love seeing you helping out at the occasional stall or event. Being part of a team that can help improve our school and its facilities is very rewarding.

If you have any queries or would like to know more information, please contact us via email scpspc.committee@gmail.com

Our next meeting is taking place

Wed 24 February – 6.30pm

**School Library -
ALL WELCOME**

Our school is a richer place for the contributions of our parents & our community!
