We will be recommencing the P&C 2<sup>nd</sup> Hand Clothing Pool. Items are kindly donated by families of our school community and are available for purchase for \$2 each.

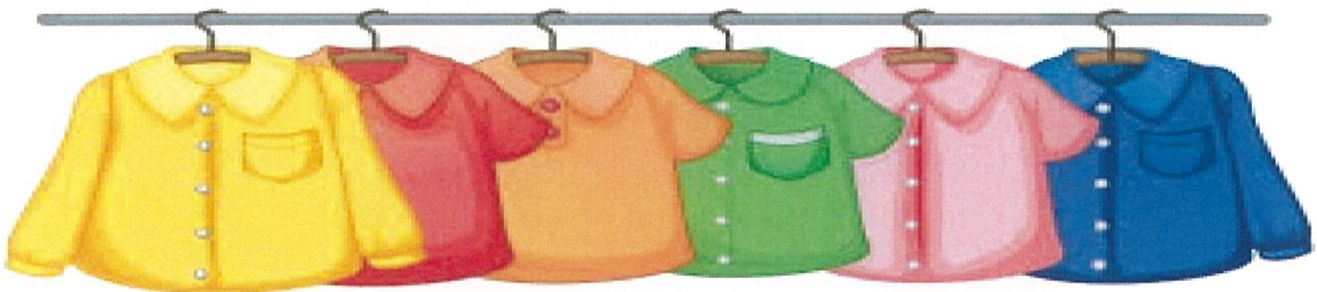

After consulting with the school and current Department of Education Covid-19 guidelines, the Clothing Pool will be open in between the Canteen and Hall on the following days:

**Tuesday and Thursday mornings from 8:40am until 9:10am\***

We ask parents adhere to Covid-19 guidelines and social distancing whilst at the clothing pool. If you are unable to attend the clothing pool in person a note can be sent in with your child to the P&C box in the front office on Monday and Wednesday. Please include student name, class and money requesting item(s) and sizing of clothing required. Our volunteers will endeavour to supply the best items available. Where stock is available, we will ensure it is sent to your child's class on a Wednesday and Friday, otherwise the note and money will be returned to your child.
