Year 6 Canberra Camp/Excursion

Cancellation

Dear Parents/Caregivers,

Unfortunately, due to the ongoing concerns relating to the Covid-19 pandemic, our accommodation for the Year 6 over-night excursion to Canberra, **has now been cancelled by the venue (AIS).**

We have been informed of the following from the AIS;

'We wish to advise that we will not be able to proceed with your 2021 group accommodation bookings. With consideration to athlete preparation for the Tokyo and Birmingham Games, the current COVID situation and the planned delivery of a vaccination program, a decision has been made to provide accommodation to high performance athletes only in 2021.'

At this late notice, finding suitable alternate accommodation is not possible.

I apologise for any inconvenience this has caused however the good news is we are now **looking to have our Year 6 students attend a different venue instead**, later on in the year. (Details to be confirmed)

Refunds/Payments: (please halt all payments)

Options for refunds will be made known to all families that have already paid money once pricings from the new venue are confirmed. This may include options for money-paid to carry over for the replacement camp (with a possible partial refund if it ends up cheaper), or a simple straight forward refund and a new payment. That is yet to be decided because we are awaiting on definitive costs and timings from the alternate venue mentioned. Of course you may write to the school office and simply ask for a refund at any-time if you would prefer.

I thank-you for your continual patience and understanding in these unprecedented times.

Yours Sincerely,

Mr Matthew Hyslop
Assistant Principal

Mrs Kathy Browne
Principal
