KINDERGARTEN OPEN CLASSROOMS

Dear Parents / Caregivers,

Due to changing visitor restrictions we understand that Kindergarten families have not had many opportunities to feel connected to the school. Now that restrictions are lifting, Surveyors Creek Public School would like to extend the opportunity for Kindergarten parents and families to visit their child's classroom and meet their teacher.

Kindergarten parents and families are invited to attend the open classrooms on **Tuesday, 4 May 2021 (Week 3)**. Kindergarten parents and caregivers are invited to visit between **3:20pm to 3:50pm**. During this time parents will be able to visit their child's classroom and have a school tour.

Thank you for helping support Surveyors Creek in your child's educational journey.

Yours sincerely

Mrs Monica Lockley
(on behalf of the Kindergarten Teachers)
