Two's Day is coming!

22 February 2022 is 2-22-22! It's also a Tuesday.

We are calling it Two's Day – A special day all about 2's

We have all heard of the 100th day of school, and maybe even celebrated it in the classroom. However, our Year 2 teachers and the whole school have an amazing once in a lifetime special school day this year. We are calling this day Two's Day!

The date will be February 22, 2022, or 2/22/22! AND it takes place on a Tuesday! (Think Two's day). Two's all around!

To celebrate Two's Day, we will be having a Mufti Day on 22/2/22.

Some ideas include:

- Tutus with two socks, two gloves and two pigtails
- Two ties, two tutus and two tiaras
- Toupee
- Toucan
- Twins
- Two times two
- Two o'clock
- Tim the 'two'ool man
- Stick a life-size picture of your face and attach it to the back of your head. You can go as a human palindrome – the same forwards and backwards.

This is not a fundraising activity. It's a special day all about 2's.

We look forward to celebrating Two's Day, 22/2/22.
