RAT KITS

Week 3 and 4

Dear parents and carers

The Department of Education has given permission for us to send the second round of RAT kits home with students for weeks 3 and 4. The kits will be sent home with each individual student (4 per student) and (10 per student for support) on Friday 11th February.

Should you not wish for this to happen (preferring to collect), please fill out the form below and return to your child's teacher. Once we know how many parents or carers are preferring to collect, we will be able to allocate at suitable time for collection from school.

Surveillance use of RATs for staff and students remains voluntary and only those choosing to continue with testing will be supplied with a kit.
