Swim School Week 5 and 6 Update

Due to the reduced numbers attending swim school this year we have combined the two time slots and all students will be attending the 11am session. Please see the arrangements below.

- 10:15am - Students will be leaving school to head to Penrith Ripples.
11:00am – 11:45am Swimming lesson
12:00pm Students travel by bus back to school to then change and return to class.

Students will be changing out of swimming clothes back at school. They will have “crunch and sip” before leaving school and are given recess time on their return.

Kind Regards
