

IMPORTANT COVID INFORMATION FOR PARENTS AND CARERS

Vaccination

From Term 4, all adults on school sites must be fully vaccinated against COVID-19, including employees, contractors and volunteers.

Ventilation in schools

Open or well-ventilated spaces reduce the risk of COVID-19.

Where possible classroom doors and windows will remain open and fans will be used for air flow.

Hand hygiene and cleaning

Good hygiene practices are important for keeping our students and staff safe at school.

Visitors

Only essential visitors are allowed on school sites. All visitors are required to wear a mask and sign-in using the Service NSW QR code when entering the school.

Drop-offs and pick-ups

Drop-offs and pick-ups will be staggered by year groups and schools will designate entrances and exits to support the beginning and end of school days.
