

Surveyors Creek Public School

Framework for teaching online – Year 1, Term 3 Week 1

Below is a learning schedule for you to follow. You will need access to a digital device to complete the following activities. You may need help from a parent/carer. You are also able to access Mathletics, Bug Club and any other website that your teacher has given you access to. Complete all activities in your Homework book or an exercise book. Write the date on your activities to keep track. Bring in your workbook on Monday 19th July.

<u>Spelling Words</u>	Bossy 'e' + ing	<u>Extension</u>	<u>Tricky words</u>

<https://www.youtube.com/watch?v=ttvmZwdvdw>
What does Kate want to do?
What is a rescue centre?
Is Rosy the kind of dog that the family wants?
Why do the family like her anyway?

Mathematics

Warm Up [Interactive 100s Chart](#)
Using the hundreds chart practice counting aloud by 5s and 10s.
Why could skip counting by these number patterns help us when looking at Australian coins?
Practice skip counting by 5s and 10s.
Can you do it forwards and backwards?
Mathletics: Interactive Activity
[Coins Game- Sorting, Ordering and Counting](#)
(Ensure you select the Australian flag to secure Australian currency)
Show/ draw your working out for the following worded problem. If Jenny has two 5c coins, Mark has one 10c coin and Lily has three 20c coins. How much money do they have altogether?

Library

Lesson 1:

Learning Intention: Identify the Author's Purpose of a particular book.
1.Listen to the story Harry the Dirty Dog
<https://storylineonline.net/books/harry-the-dirty-dog/>
2. Give the following information to someone in your family.
* Is the story written to entertain us or inform us?
* Is it a piece of fiction (Story Book)) or NonFiction (Information Book)
*Who are the Author and Illustrator?
*What was your favourite character and part of the story?
*Would you recommend this book to someone else to read? Why?

Home Learning Music Activities K-6 By Mrs Razay

Here is a collection of music activities you can do while learning at home. You could take a photo, do a short video, record the sound or write about your experience. You may also choose or create your own music learning activities, but be sure to share your ideas with your classroom teacher. As for Kindergarten students you can use any musical app on your iPad or parents iPhone with parental permission.

Chair Drumming. Use some chopsticks or straight sticks from the garden. Drum along to your favourite songs. Listen carefully to keep the beat.

Audio Recording. Use a computer, Ipad or tablet recording program such as 'GarageBand' to create a soundtrack. Use sounds from around the house. Make sure there is a steady pulse. (GarageBand is free to download, and you know how to use it!)

Play an Instrument. Play an instrument you are familiar with or try another one you have at home. Use music we have played in school or find songs on the internet.

Write a song. Put some chords you know into a pattern. Add some lyrics. You can sing or rap a poem or story to your chord pattern. You could sing or rap your own words to an instrumental piece of music like a Karaoke backing track.

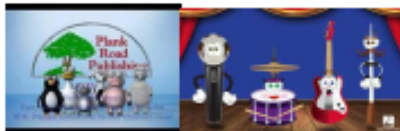

Make an Instrument with materials from around the home. (Make sure you get permission to use things.) It needs to have at least 5 different pitches/sounds. Play and record your instrument. My favourite is a spannerphone. What can you create?

Sing Karaoke. Search for your favourite song as a Karaoke version with lyrics. Sing along. Make sure you are in pitch and projecting your voice with clear diction (words).

Youtube learning. Watch music education videos from MusicKB.com and 'The Music show'. Teach someone about what you learn.

Music Project. Do some research about a musical style, a famous composer or your favourite music band or artist. Present it in Power Point with clips to share with the class. Or as a poster.

The Elements of Music. Create a poster, PowerPoint or video, to teach other students about the elements of music. Focus on one element each time. (Pitch, Duration, Dynamics, Structure, Texture, Beat, tone colour)
