

STAGE 3

TERM 3
•
WEEK 10

English

This term, students have continued to have their English lessons focused on quality literature. We have concentrated on the concepts of Theme and of Context. The main focus in comprehension has been in grasping finding word meaning in context, drawing conclusions and making inferences, and distinguishing between facts and opinion. In creative writing we have focused on Informative and Persuasive texts.

Maths

We have been engrossed in the Back to Front Math's Program which is being implemented across the entire school. We have mainly focused on place value, fractions, money, position and angles.

Other KLA's and Extras

Stage 3 have been studying Earth and Space during Science lessons. In Geography students have been studying Australia's place in the Asian region. In Sport/PE we have been restricted to only going out in class groups and have focused on Soccer and Touch Football.
