

# STAGE 3

TERM 4

•  
WEEK 2

## English

This term, students have begun their Term4 quality literature studies. In Year 6 we are studying the novel Beetle Boy. This term we are concentrating on the comprehension concepts of Code & Convention. In creative writing we have begun to refocus on imaginative writing.

## Maths

In week 1 classes revised concepts and content from the previous terms. This week we have returned to our new Back to Front Math's Program focusing on patterns. In the following week's we will explore negative numbers followed by order of operations.

## Other KLA's and Extras

Stage 3 have continued studying Earth and Space during Science lessons. In Geography students have continued studying Australia's place in the Asian region. In Sport/PE we have revised what we've learned in previous terms. We await the completion of the revamped basketball court and plan to put it to good use soon!
