

What's happening in Stage 2?

Week 4 Term 4

Concepts being taught in the coming weeks:

- NAIDOC Study in Week 4 & 5. As part of our NAIDOC week celebrations all students will be participating in a colouring in competition as well as completing a piece of writing.

- Mathematics - students will continue to expand their understanding of balancing equations with challenging problem solving activities. They will also begin looking at 2D shapes and developing their understanding about the properties.

Things to remember:

Speeches - Written speeches in Wk 7.
Surf Excursion - Yr 3 Wed Wk 6. Yr 4 Thurs Wk 6.

Reading/Comprehension focus - Figurative Language.

Over the next few weeks we will be studying Figurative Language. Figurative language does not have an everyday, literal meaning. It is used by writers to make a comparison, or for dramatic effect. Some examples of figurative language are:

Alliteration – the repetition of the same sound at the start of a word. **Simile** – uses 'like' or 'as' to compare one object to another. **Personification** – giving non-living things human characteristics. *See what examples you can find with your child in books at home!
