

STAGE 3

TERM 4
•
WEEK 4

English

This term, students have continued to have their English lessons focused on quality literature. The main focus in comprehension continues to be Identifying Author's purpose, interpreting figurative language and summarizing. In creative writing students have written a narrative under test conditions with the aim to use that to help guide them in future lessons in order to become better writers.

Maths

Back to Front Math's Program for Y6 has involved students exploring negative numbers and has continued into order of operations this week. Y5 have concentrated on inverse operations and symbols for equations.

Other KLA's/ Extras

Stage 3 enjoyed dressing up for the book character day and although there was no parade the students had a great time dressed up in their characters.

Please see note regarding year 6 farewell. This year it will be for Year 6 only as part of a streamlined version of the formal due to the covid situation.
