

STAGE 3

TERM 4
•
WEEK 6

English

Students have continued their Term4 quality literature studies, comprehension concepts of Code & Convention, and In creative writing we have continued to focus on imaginative writing. Students have been busy with in-class assessments to help us prepare for reports to be sent home later this term.

Maths

In week 5 classes revised concepts and content from the previous terms. This week we have returned to our Back to Front Math's Program focusing on 3D-space. We will continue this in to week 7 before ending the term covering 2D-space in week 8 and 9.

Other KLA's and Extras

Stage 3 have continued studying Earth and Space during Science lessons. In Geography students have continued studying Australia's place in the Asian region. In Sport/PE we we've continued lessons on Basketball. Students have also had cooking lessons from produce grown in the new garden.
