TERM 4
•
WEEK 5-6
SUMMARY

K-2A, 1-4P, 2-6L & 5/6HG

Term four is now in full swing.

Last week we had a wonderful time celebrating NAIDOC week, where we enjoyed lessons around the theme “Always Was, Always Will Be”. Our students participated in the NAIDOC colouring in competition and also did some paintings.

Unfortunately, cold/flu have caused many school absences in students and staff alike, but fortunately all Covid tests have been negative. Thank you for keeping sick students at home. We hope everyone who is unwell, feels better soon.

In writing over the past two weeks, some students have continued working on narratives and students in 2-6L have been enjoying learning to write persuasive texts.

In Maths, our infants students have been focusing on 2D shapes. Our primary students have continued looking at functions and using a “function machine” to change numbers.

We had our two new kindergarten students, who will be joining us in 2021, come in for orientation. It was wonderful to meet and welcome them to our school.

Just a few reminders:

- Tomorrow, Thursday 19/11/2020 is our grade 3-4 Surf Excursion to Sandon Point.
- Next week on 24/11/2020 is the Terrible Dress Tuesday and Sausage Sizzle Day. Please bring in a gold-coin donation – fundraising for Year 6 Farewell Celebration.
